19 January 2017

Dear Parents / Guardians

Year 8 Curriculum Evening.

Education in Wales is currently undergoing a number of significant changes, to both the qualifications students achieve and the content they are taught. In order to ensure our students are fully prepared and qualified for life in the 21st Century, we are proposing to change our curriculum provision at both key stage 3 and 4.

I would like to invite you to our year 8 curriculum evening on **Thursday, January 26th at 5pm** in the school hall where we will be presenting the proposed model for the school's curriculum for September 2017 onwards. This will be an opportunity for you to find out about the proposed changes as well as give your opinions and ask questions.

Yours sincerely

Hywel Parry
