

7th March 2017

Dear Parent/Carer

Internet Safety Evenings

To celebrate the many positives of the internet, and to raise awareness of the issues that children and young people face online today, Ysgol John Bright will be hosting two internet safety information evenings for parents and guardians of students in every year group. We highly recommend that you attend one of these events. The session will provide practical advice and safety tips to help manage internet safety issues, and discussions surrounding suitable behaviour online.

The first session will be for parents and guardians of students in Years 7, 8 and 9 on Tuesday 14th March at 6.00pm in the main school hall and will last for approximately 45 minutes.

The second session will be for parents and guardians of students in Years 10, 11, 12 and 13 on Tuesday 21st March at 6.00pm in the main school hall and will last for approximately 45 minutes.

We believe that internet safety education is a crucial element of the curriculum and an essential part of young people's development. The sessions will be designed to help you become more aware of internet safety in order to reinforce it in your home environment.

We really hope that you will be able to attend and look forward to seeing you there.

Yours sincerely

Ben Williams
