Dear Parents/Carers

Year 11 Examinations - Clarification on study leave

As a school, our priority is to ensure the best possible outcomes for all of our students. It is essential that all students fully focus on their study until the completion of all courses, be it examinations or coursework.

We are aware that students revise in different ways, and to facilitate this we are providing dedicated silent study rooms during every period to allow students to work in silence, whilst still providing the facilities for group work and discussion in other rooms.

Every student is expected to attend every lesson up to half term. After half term a range of courses will have completed their examinations, at which point students may choose to go home to study during the lessons for their completed courses, provided you are willing for them to do so.

Every student must attend every lesson for a subject until the completion of the course. This means, for example, that every student should attend every Maths lesson until the final examination on June 20th.

We are fully committed to provide the support and environment for every student to succeed in all of their courses, and thank you for your continuing support as we work together for the benefit of our students.

Yours faithfully

Ann Webb
Headteacher
