

20 September 2017

Dear Parent/Carer

We have created a new section of our school website to allow you as parents and carers to fully understand what your child is doing in his or her Year. There is now a bespoke page for every year group containing information on the curriculum and pastoral system relative to your child.

As well as general information you can now click on a Subject Guide button which will allow you to see what topics your child is covering, when the key assessments are and how you can best support your child as they go through the year.

We will regularly update the website to keep you posted on key information relative to your child and to celebrate the student's efforts and work over the coming months.

Year Guide Web Links:

Year 7: <http://johnbright.uk/year7>

Year 8: <http://johnbright.uk/year8>

Year 9: <http://johnbright.uk/year9>

Year 10: <http://johnbright.uk/year10>

Year 11: <http://johnbright.uk/year11>

Yours faithfully

J Pethig
