

Dear Parent/Carer

Year 11 Revised Timetable

Now that the examination session is fully under way for year 11, it is essential that your son/daughter attends lessons for all subjects until their exam is completed.

I would like to take this opportunity to remind you of some key sessions your son/daughter must attend, including additional subject-specific sessions we are planning. These sessions run alongside the exams scheduled for the week:

Date	Morning	Afternoon
Thursday, May 24th	Maths exam	No lessons for year 11 -students can go home after the maths exam.
Friday, May 25th	English & Maths lessons till lunch	No lessons for year 11-students can go home at lunch.
Half Term

Tuesday, June 5th	English language exam-all students	English lesson period 4-all students must attend

Students can leave the school site when they do not have designated revision sessions/lessons for their remaining subjects. After June 8th, students should continue to attend lessons until their final exam has been completed in that subject.
