

8 November 2021

Dear parent/Carer

Please find attached some reminders about online safety with steps to support you in making sure your children are safe when they are online. I've also included a letter that the Local Authority has asked me to send out with more specific information about the Tik Tok App. They have also included some documents which I have attached for convenience.

I appreciate that there is a lot of information in these documents, however the online world continues to develop at a rate so it's important that we are all aware of some of the online challenges so that we can best support our young people in staying safe.

If you have any specific queries or concerns then please do not hesitate to contact the school.

Yours faithfully

**Ann Webb**  
**Headteacher/Pennaeth**
